Lake Brantley students awarded scholarships

INVEST, the insurance industry's premier classroom to career education program, has awarded scholarships to 24 high school students from the Central Florida area. Above students left to right: Diamond Reed, Corey Szweczyk, Justin Brodsky & Noah Sinclair. These students are from Lake Brantley High School in Altamonte Springs. The scholarship program is a key incentive in attracting new talent to the insurance industry which will have an estimated 400,000 open positions by 2020 and faces a critical workforce gap. The above students were among those awarded from \$500 to \$2000 in scholarships.

Jasper Contractors, Inc. install free roof for local veteran

Earlier this month, Jasper Contractors, Inc., a high-volume roofing company, installed a free roof for Paul Singrossi, Seminole County resident and member of the Florida National Guard since 1999. Jasper Contractors was matched with the Singrossi family, both of whom are Altamonte Springs police officers, in June and the roofing project began shortly after. Company crews were supplied with Owens Corning shingles and fully removed the old shingles and then installed the new roof.
